

Medical Education

Preliminary Checklist for Authors

This checklist is designed to help you prepare your manuscript for submission to **Medical Education**. Please thoroughly check your manuscript against the guidelines (see www.mededuc.com) before uploading it.

Document 1 (anonymous manuscript)	Tick when completed
<u>For all research, discussion papers and short reports:</u> Abstract, structured under sub-headings (no more than 250 words).	
<u>For all research, discussion papers and short reports:</u> Overview box (no more than 100 words) structured under the following headings: what is already known on this subject; what this study adds; suggestions for further research.	
All tables/figures etc as indicated in the text are enclosed.	
Text and references double spaced.	
<u>For commentaries only:</u> 5 pull-out quotes	
Vancouver style for references (see <i>Med Educ</i> 1999; 33; 66-78 or the journal's website www.mededuc.com)	
All references are complete (all authors, full title, and full reference from Journal). <i>This is your responsibility.</i>	
The document is completely anonymous: no details identifying the author(s) are given. This includes making sure that your name is not in the document title (e.g. paperbysmith.doc)	
Ready for upload when all boxes have been ticked	

Document 2 (identifying document)	Tick when completed
Correspondent's full address including fax and email	
Names and affiliations of all authors	
Details of contributions made by all authors	
Details of any acknowledgements (state 'none' if not applicable)	
Details of source of funding for work described (state 'none' if not applicable)	
Details of any potential conflict of interest (state 'none' if not applicable)	
A statement indicating whether ethical approval has been received	
Ready for upload when all boxes have been ticked	

Document 3 (copyright and authors' statements)	Tick when completed
Downloaded, signed by all authors and posted <u>and</u> faxed to: Editorial Office, Medical Education, Peninsula Medical School, ITTC Building, Tamar Science Park, Davy Road, Plymouth, PL6 8BX, UK Fax: +44 1752 764413
